

## Email Consent

- Most popular email services (ex. Hotmail®, Gmail®, Yahoo®) do not utilize encrypted email.
  - When we send you an email, or you send us an email, the information that is sent is not encrypted. This means a third party may be able to access the information and read it since it is transmitted over the Internet. In addition, once the email is received by you, someone may be able to access your email account and read it.
- 

☐ I authorize Functional Holistic Healing to notify me of appointments by email appointment reminders.

☐ I authorize Functional Holistic Healing to share information about its programs, health blogs and services offered in the community, including programs or services specific to me, using email communications.

☐ I have read and understand the potential risks of using unsecured email to communicate my protected health information.

☐ I consent to the release of my protected healthcare information via unsecured email.
